- Eventually, clicking on beige topic box will expand/minimize grey info box
- clicking the “i” symbol will bring you to 10

Screen Information:

- Meeting Information Page
- clicking “Done” will bring you to 9

The screenshot shows a mobile application interface with a light beige background. At the top, there is a header bar with a green 'G' logo on the left and a 'Done' button on the right. Below the header, the main content area is white. It features three input fields, each with a red border: a 'Location' field, a 'Time' field, and a 'People' field. Below the 'Location' field is a horizontal line with the text 'Location Will Be Displayed Here' underneath it. Below the 'Time' field is a horizontal line with the text 'Time will be Displayed Here' underneath it. The 'People' field is part of a larger beige container that also contains three sub-input fields labeled 'User 1', 'User 2', and 'User 3', each with a red border. At the bottom of the screen is a black navigation bar with three white icons: a triangle, a circle, and a square. To the right of the square icon is the text 'phoneArena'.
